MEMBERSHIP MEETING

JANUARY 7, 2010

Meeting was called to order

Secretary's Report: January's membership meeting minutes were approved as published in the newsletter. January's board meeting minutes were read.

Presidents Report: Don thanked all the members that helped at our Winter Show this year. We had a very nice turn out and every thing went very smoothly. Adam again out did himself with our food booth and he had a great crew of workers.

Treasurers Report: January's financial report was given.

Membership: Prospective new members were introduced and welcomed. Paul said that we would be having our 50/50 raffle again with the drawing to be held after the meeting.

Legislative: Deb Krsnich gave an update on what is happening in our area and how important it is to keep your eyes and ears opened to what is going on. Not only in our state but in neighboring states as well. What is passed in one state can become an issue in our state in a very short time. A bill against tethering dogs is being presented in Illinois which is not good. Many times circumstances might lead to the need to tether a dog and if this bill would be passed you could be arrested for doing so. Bottom line, pay attention to what is going on so these kind of things doesn't happen in our state or even help stop it in other states if we can.

Winter Show: Mary Parszewski thanked all those that helped at the show this year. She named and thanked all the committee heads and thanked also all the club members that helped. With out your help the show wouldn't be the success that it is.

Food Booth: Adam Zschaechner thanked all the club members that came and helped in setting the booth up for the long weekend, those that helped all weekend and for all the help he received at the end on Sunday to tear everything down. He

was very pleased on how the weekend went.

Nursing Home: Donna Gasbarro said the times and places for the visits are listed in the newsletter and on our website. You must be an approved club member to do this and your dog must have a CGC title on it. Also before you bring your dog for the first time you must talk with Pam Siebert.

Library: Margie Scoville introduced herself as our club librarian and mentioned that our club has a nice selection of books and/or videos and you are welcome to check them out after you are an approved member.

WDC Boutique: Margie said that she is also in charge of our clubs boutique and we have a nice selection of clothing with our club logo on them. If interested you may see her after the meeting.

Old Business: A question was asked about our plaques. Is there a time limit on how soon after your dog earns a title to get it listed on one of the plaques? They were told there is no time limit, and to just submit the information and it will be put on the appropriate plaque. The sheet for doing this was in January's newsletter and we will make sure that it gets published more often,

Also we will have information put in the newsletter more often about how to submit pictures of your dog to put on our wall.

New Business: Short discussion was had on the 25 year pins that are given out to members that have attained there 25 years with the club.

Motion: Purchase 25 pins for our 25 year club members at a cost of \$70 each plus tax. Approved

Cry and brag was conducted
Respectfully Submitted,
Gail VanDenLangenberg
Secretary

Committee Chairman

2009 APPRECIATION AWARD

This award is presented to club members who show extra commitment, dedication, hard work and volunteerism for our club. Without members such as this, our club would not exist. The process for determining a winner is based on nominations from the previous 5 winners of the award. Once nominations are completed, a vote is done to determine the winner. I am proud to say that the winner of the award this year earned 5 out of 5 votes!! That is truly saying that we have a very special winner this year.

This year's award isn't being given, it was truly earned. This year's "recipient" has helped the dog club in every way. Kitchen help, building clean up, helping out at shows in many capacities, attending monthly meetings and always with a smile and a kind word. They, yes, it is a couple this time, have shown us all what can be accomplished with commitment and a sense of humor. They have walked in many parades, worked at nearly every show since they joined the dog club and attend monthly meetings with few exceptions.

He has done everything from mowing lawns to clearing the snow from the roof of the training center. He doesn't know the meaning of the word "No". He is willing to take the most unrewarding jobs like hauling trash at the winter and spring shows, working in the wet, cold or heat to help out wherever there is a need. He also entertains us with his delightful stories. He is a current officer and deals with all issues that this position requires.

She helped at the awards table at many of our shows. She helped in the kitchen for many events. Despite her discomfort she always had a smile and made others smile, too. Despite her difficulties she gave of herself willingly at whatever task she could perform.

This year the Appreciation Award goes to Tom and Sara Wiesler.

It is sad that Sara isn't here to share tonight's award, but I am sure she is here in spirit. The devotion these two shared is a joy. We miss you Sara and will always remember your kind spirit and devotion to the club. Tom, we are a better organization because of your commitment. Thank you!

We are very proud to present Tom and Sara the 2009 Winnegamie Dog Club Appreciation Award.

Hopefully you have noticed our plaques on the building walls. If you do not see your dog's name(s) or recent titles to be added please notify Barb Skaer.

Red Cross Table: Contact Len Hoehne if you can help out at all during the day, it would be greatly appreciated. You may call him at 727-1158 or email him at lhoehne@new.rr.com. Len will be glad to explain to you what needs to be done.

We are always looking for suggestions on people to hire for our judging panel. We want to hire judges that we feel will pull a good entry. The hiring of judges is dependent on many factors including how many breeds they can judge, where they are from etc. Please contact me if you have suggestions.

CONGRATULATIONS

Congratulations to all of our club members who submitted earned AKC titles for the 2009 year. Club members and their dogs earned titles in the following areas: agility, obedience, utility, rally, conformation, hunting, field, dual champions and versatility. Nice work WDC members!!!

As a reminder, the plaques awarded by WDC to its members and their dogs are perpetual plaques. So if your dog earns additional AKC titles in the years to come, the plaque from this year will need to be submitted for the addition of earned titles. It is recommended that you keep your protective sleeve to resubmit your plaque for all of the additional titles you and your dog will earn. Any dogs earning their first titles in 2010 will receive a plaque initiating their perpetual title plaque. Instructions will be included when the award information is posted in the newsletter.

Keep up the good work earning those titles. It is my pleasure to be able to organize the awards process for WDC.

CANINE GOOD CITIZEN TEST

**SPONSORED BY
WINNEGAMIE DOG CLUB, INC.
HELD AT THE TRAINING CENTER**

Saturday, April 24, 2010

9:00 AM – Noon

Entry Fee: \$10.00

(To be paid on day of test – no pre-entry)

The purpose of the Canine good Citizen Test is to ensure that our favorite companion, the dog, can be a respected member of the community because it is trained and conditioned to act mannerly in the home, in public places and in the presence of other dogs. The program embraces both purebred and mixed-breed dogs, as the anti-canine sentiment does not discriminate between the purebred and the non-purebred.

Canine Good Citizen training is fun and useful. Through it, you and your dog will establish a closer bond and your dog will have the added benefit of knowing how to please you. This test of your dog's manners and training is not a competition and does not require that you and your dog perform with precision.

The Canine Good Citizen program is based on the concept that all dogs should have enough basic training to be under control at home and in public.

The American Kennel club urges all dog owners to participate in this program, thereby assuring that our beloved dogs will always be welcomed and respected members of the community.

All dogs who pass the ten items on the CGC test earn a certificate from the AKC.

Dogs should wear well-fitting buckle or slip collars made of either leather, fabric or chain.

Special training collars, such as pinch collars or Gentle Leaders, are not acceptable.

DEMONSTRATING CONFIDENCE AND CONTROL, THE DOG AND HANDLER MUST COMPLETE THESE 10 STEPS.

THE WDC CAR DECALS FOR 2010 ARE READY!

To use the front or back fenced in yards, at the club, you need to obtain a new 2010 car decal. They are different from last years. **Everyone may have two decals free.** You may obtain extra decals for \$1.00. Place the decal on the Driver's side, rear window. If you bike or walk to the club, then carry the decal on you. If at any time your decal is damaged or stolen, please let me know and you can get a replacement decal for a fee of \$1.00. If you get a new license plate number, you will need to get a new decal. The decals will be changing yearly. All club members are to have decals by September 1st.

We need all of your help. Please, look at the cars of the people using the fenced yards. If someone is using the yards and they don't have a decal, please say something to them. If they are not members, tell them how they can become a member and that the yards are for MEMBERS ONLY. If someone is abusing the posted rules, write the car plates down, with the complaint, and give to any board member or myself. Please give feedback on how you think this is working, any concerns you may have, or suggestions for improvement to any of the board members or myself.
