MEMBERSHIP MEETING

APRIL 1, 2010

Meeting was called to order

Program: We had a very informative program on grooming and maintenance tips for your pet given by Lisa Jacobson. She has been a groomer for over 8 years and covered ear cleaning, trimming feet and trimming of pads and butts. She also made herself available after the meeting for anyone that might have questions.

Secretary's Report: March's membership meeting minutes were approved as published in the newsletter. March's board minutes were read.

Treasurers Report: March's financial report was given.

Membership: Prospective new members were introduced and welcomed.

Agility: Nancy Zolkowski said that we have three days of agility trials coming up on August 13, 14 & 15th. She will be needing lots of help including the kitchen on Saturday and Sunday or during the trials on Friday thru Sunday. This is a great way to learn more about the sport and have fun at the same time. NO experience necessary they will train.

Nursing Homes: Pam Siebert said the times and places are listed in the newsletter and on the website. You must be an approved member and your dog/s must be approved by her before you take them for a visit. Contact her if you have any questions. She will also be available after the meeting to answer questions.

Spring Show: Obedience/Rally

Stewards: Gayle Kukukla said that stewards will be needed for obedience and rally for our spring show on Sunday May 23rd. She will be happy to work with you if you are planning on showing that day to work around your schedule. A sign-up sheet was sent around.

Gate: Gail Anthony asked for help at the gate for the show on Sunday also. She mentioned that this year two different gates will need to be manned instead of just one that has been in the past. She sent around a sign up sheet also.

Legislative: Deb Ksnich gave an update on what is happening in Wisconsin and that it is very important for all of us that have a love of dogs to become involved. WDC is a member of the DFOW but you may also have an individual membership, give this some thought because it isn't cheap to keep fighting all the bills being raised against us pet owners.. Become involved before it is too late. You may go to www.dfo.net and stay updated on what is happening.

Presidents Report: Don said, that it is because of the many great workers we have at the club that our club has been as successful as it has. He thanked Darcy Bicking for coming out and helping him with the clean-ups when necessary before club events or building rentals. She helps where ever needed. Jolene Johnson has stepped up and is now doing our advertising for the club and doing a really great job. Our trainers are also doing a fantastic job.

Old Business: None

New Business: Motions from the board were discussed and voted on. They were **Motion:** Go with Kim Central Credit Union for our clubs commercial loan for 6.5% for three years. Approved

Motion: Go with Kim Central Credit Union for a line of credit of \$10,000.00 at 6.5% which will have to be renewed annually. Approved

Motion: On all business transactions pertaining to money for the club, the club treasurer and another officer annually appointed by the board should be authorized to sign for the club. Approved

Motion: Any expenditure from the line of credit will need board approval first. Approved

Don reported that our front door has gotten very rusted and will have to be replaced soon. He has gotten two estimates with them both being very close in price. He would like to see us go with Fox Structures because they have done work for us before. A short discussion was had and a motion followed

Motion: Go with Fox Structures to replace our front door for no more than a \$1000.00. Approved

Cry and brag was conducted

Motion made and approved to adjourn
Respectfully Submitted,
Gail VanDenLangenberg, Secretary

THE WDC CAR DECALS FOR 2010 ARE READY!

To use the front or back fenced in yards, at the club, you need to obtain a new 2010 car decal. They are different from last years. **Everyone may have two decals free.** You may obtain extra decals for \$1.00. Place the decal on the Driver's side, rear window. If you bike or walk to the club, then carry the decal on you. If at any time your decal is damaged or stolen, please let me know and you can get a replacement decal for a fee of \$1.00. If you get a new license plate number, you will need to get a new decal. The decals will be changing yearly. All club members are to have decals by September 1st.

We need all of your help. Please, look at the cars of the people using the fenced yards. If someone is using the yards and they don't have a decal, please say something to them. If they are not members, tell them how they can become a member and that the yards are for MEMBERS ONLY. If someone is abusing the posted rules, write the car plates down, with the complaint, and give to any board member or myself. Please give feedback on how you think this is working, any concerns you may have, or suggestions for improvement to any of the board members or myself.

To obtain a car deal, I will be at the monthly meetings to hand them out. You can also fill out the application below, then **send with a stamped, self addressed envelope** to:
