MEMBERSHIP MEETING SEPTEMBER 3, 2009

Meeting was called to order

Secretary's Report: August membership meeting minutes were approved as published in the newsletter. August board minutes were read.

Treasures Report: August's financial report was given.

Membership: Prospective new members were introduced and welcomed. Paul said that this month we will be having our 50/50 raffle. So be sure and get your ticket/s before the drawing after the meeting.

Parades: Paul said the Christmas parade will be coming up on Tuesday November 24th. He will pass on more information as he receives it.

Obedience/rally Trial: Jolene Johnson said that our trial will be coming up on October 10 & 11th. If you can help either one or both days, talk with her after the meeting.

CGC: Jolene stated that this test is coming up soon. It will be held on Saturday October 17th from 9 until noon. If you are helping she would like to see you there about 8:30 AM to help set-up. No experience necessary.

Ring Stewards: Carol Mason asked for help for the trial coming up. No experience necessary-they will train. A sign up sheet was passed around.

Open House: Bruce Ziesemer sent around a sign up sheet for this upcoming event. Help will be needed in many different areas. This year we will be having photographer-Jim Pahl coming. So if you would like to get pictures of you and your pet for Christmas-now is the time to do it. Any questions on this please contact any board member.

Agility: Nancy Zolkowski thanked everyone that came and helped at the agility trial that was held in August. Everything went very well. The next one coming up will be on the weekend of November 28 & 29th and will be novice only. This will be about your last chance to earn "hours" for the year. Mark it on your calendar.

Obedience: Deb Zierer thanked the trainers that had trained a session this

summer. Also she is looking for more trainers for our program. If you feel that you would be interested in becoming a trainer to talk with her after of the meeting. Our session starting this month could use more help with the classes. Talk to Deb after the meeting if interested.

Nursing Homes: Pam Siefert said that you must be an approved member to participate in this. The times and places are in our newsletter or on our website. Your dog must have a CGC to participate and the dog must be approved by Pam before you take them to any of the visits. Talk with her after the meeting if you have any questions.

Winter Show: Gail gave an update on our Winter Show for Mary P. The show date will be January 23rd. Oshkosh will be on the 24th. Because Packerland (Green Bay) lost their show site for a year they will join our winter show by having their show on Friday January 22nd. AKC has approved all the paperwork for this and information on our weekend is available on the AKC website. The show will have a limited entry of 1200 dogs. We will be asking for trophy donations soon. Keep watching the newsletter for more information.

Old Business: None

New Business: Discussed briefly a motion that came from the board about buying privacy fencing for the back fence line. Motion was made Motion: Buy the privacy fencing and hardware to use on our back fence line to not exceed \$1500.00. Approved

Cry and brag was conducted.

Motion made and approved to adjourn.
Respectfully Submitted,
Gail VanDenLangenberg
Secretary

OPEN HOUSE

This year's Open House will be on Sunday, October 4, from 1:00 to 4:00 pm. Come and see some of the fun things we do with our dogs. There will be agility, obedience, rally and conformation demonstrations, as well as a "Meet the Breed" area where you can see some of the many breeds of dogs owned by club members.

J. Pahl Photography will be on site to take pictures of your pets, your kids, or the whole family. He will do a winter scene (perfect for Christmas cards), so bring a sweater for the full effect. The cost of \$35.00 includes 3 sheets with your choice of sizes. We are in need of a couple of artificial trees for the background, so if you have one that we could use, it would be greatly appreciated. Please call Bruce (419-5546) to make arrangements for drop-off.

Great Lakes Veterinary Clinic will be offering a special price on micro-chipping your dog using the Home Again network.

This event is open to both members and non-members, so if you know someone who is interested in dogs, bring them along. There will be people available to answer questions about training classes and club membership.

CHRISTMAS PARADE

The 39th Annual Downtown Appleton Christmas Parade

This is just to let you know that I have entered WDC in the Christmas parade for this year and am wondering if you are interested in attending if we are selected. Please let me know if you are interested and pass this on to anyone in the club you think might be interested in participating in this. The following information is what I have as of right now;

Date: November 24, 2009

Time: 6:20 pm

Theme: A Child's Christmas

Decoration: We can do anything related to this theme or Christmas except we can not have any Santa or Mrs. Claus as Appleton supplies them and it will confuse the children that come to view the parade. If anyone wants to get in on a kind of planning let me know. Right now I'm kind of steering away from getting a truck because in the pass more people want to walk in this parade to keep warm but that doesn't mean we couldn't dress up like elf's or snowmen and their pets and maybe move around in formations as we go down the street. In closing I hope to see you their.

Yours Truly,
Paul Thiel

□Tabor□

June 24, 1996 — August 20, 2009

Tabor came into my life unexpectedly in 1997 and he left my life too soon.

He was smart and stubborn and he was my shadow, my retrieving nut, my companion.

Sleep well, my Little Tabor Dog. We miss you and will always love you.

Wait for us at Rainbow Bridge so we can make the journey to Heaven together.

Loved and missed by Patty Hittenmiller and Len Hoehne

They Gain their Wings and Learn To Fly

Poetry and artwork copyright L. M. Crane, 1998

*-Shelties do not die,
they only gain their wings and fly.
They will play again I pray,
in those green fields far away.
Past the gates of pearly white,
with other loved ones gone from our sight.
We will see them once again,
at the bridge called Rainbow's End.
With a wag of a tail and a jump in the air,
we will once again become a pair.
Don't be sad this day my friend,
just look for the bridge
called Rainbow's End.
And remember. Shelties do not die,
they gain their wings and learn to fly.*

CANINE GOOD CITIZEN TEST

SPONSORED BY
WINNEGAMIE DOG CLUB, INC.
HELD AT THE TRAINING CENTER

Saturday, October 17, 2009
9:00 AM – Noon

Entry Fee: \$10.00

(To be paid on day of test – no pre-entry)

The purpose of the Canine good Citizen Test is to ensure that our favorite companion, the dog, can be a respected member of the community because it is trained and conditioned to act mannerly in the home, in public places and in the presence of other dogs. The program embraces both purebred and mixed-breed dogs, as the anti-canine sentiment does not discriminate between the purebred and the non-purebred.

Canine Good Citizen training is fun and useful. Through it, you and your dog will establish a closer bond and your dog will have the added benefit of knowing how to please you. This test of your dog's manners and training is not a competition and does not require that you and your dog perform with precision.

The Canine Good Citizen program is based on the concept that all dogs should have enough basic training to be under control at home and in public.

The American Kennel club urges all dog owners to participate in this program, thereby assuring that our beloved dogs will always be welcomed and respected members of the community.

All dogs who pass the ten items on the CGC test earn a certificate from the AKC.

Dogs should wear well-fitting buckle or slip collars made of either leather, fabric or chain.

Special training collars, such as pinch collars or Gentle Leaders, are not acceptable.

DEMONSTRATING CONFIDENCE AND CONTROL, THE DOG AND HANDLER MUST COMPLETE THESE 10 STEPS.

TEST EXERCISES

1. Accepting a friendly stranger
2. Sitting politely for petting
3. Appearance and grooming
4. Out for a walk
(walking on a loose leash)
5. Walking through a crowd
6. Sit and down on command/
staying in place
7. Coming when called
8. Reaction to another dog
9. Reaction to distractions
10. Supervised separation
